## Project Description

The Foreign Service Institute (FSI) trains diplomats in over 70 languages. The more practice they get speaking their target language, the more prepared they will be for their language exam, and most importantly, to do their job at post. We are looking for native Norwegian speakers to converse with our Foreign Service Officers in an informal setting, either by phone or video chats. By speaking Norwegian with our Diplomats, you will have a unique opportunity to help them improve their language competence, as well as to discuss Norwegian history, politics and culture with a future representative of the United States to Norway.
